

Newsflash Flashback!

Here's a reminder about
Evaluation Expiry timelines.

CBME

Newsflash!

**PLEASE
NOTE**

**Incomplete EPA
Assessments on MedSIS
expire after 10 days!**

**Incomplete ITARs expire
after 60 days!**

After assessing a resident, **please complete the eval on MedSIS as soon as possible afterwards.** Once expired, it is permanently removed & the resident will have lost the chance for that assessment to count towards their learning portfolio.

TIMELY ASSESSMENTS WILL
BE MORE ACCURATE & USEFUL

Thank you for doing this!
